

Bottom Line Duo

Tech/Hospitality

The Hall - The Bottom Line Duo is entirely acoustic and only uses a microphone for speaking.

- The Hall must be heated prior to rehearsal, and remain continuously heated throughout the rehearsal and performance
- Two armless chairs are needed on stage
- One microphone for speaking, no monitors.
- General strong stage lighting with a cross wash
- 90-minutes for on-stage rehearsal and sound check
- Technical personnel for sound check, rehearsal and concert
- Sound recording, videography or pictures are not to be taken during the concert or rehearsal without the artists' prior and written permission

Dressing room

- One dressing room with chairs, mirrors, lighting, heat or air-conditioning as required for comfort. Dressing room should be locked during rehearsal and performance.
- A nearby restroom without public access
- Carbonated and non-carbonated water, fruit and snacks

Program Copy

- Must contain the history of the ensemble, biographies, names and instruments of performers

Complimentary Tickets

- 4 tickets

Child Care

- The duo travels with a young child born in 2004
- Assistance with this will be greatly appreciated.
- *We should discuss the terms
